“The team at Pure were superb from start to finish – we are delighted with the basement conversion and we would have no hesitation in recommending Pure”

That little bit extra can make all the difference....

Multi-Room Basement Conversion Stockport – Providing Family TV Room, Bedroom, Utility Room and Shower Room.

Our clients required additional space for their growing family. The plan was to provide contemporary space with modern fixtures & fittings throughout. As part of the conversion Pure added feature LED Smart lighting which provides mood facility on the stairs and in the TV Room / Bedroom – all controlled through WIFI.

“Our Basement Conversion is Superb – I would have no hesitation in recommending Pure Basement Systems for this type of work – We use the new rooms all the time

That little bit extra can make all the difference....

Multi-Room Basement Conversion Ilkley– Providing Family TV Room, Large Family Dining Room and a Utility Room.

Our client's basement suffered from extensive dampness and they wanted to make better use of the space. The plan was to provide a smart but traditional styled Basement Conversion whilst maintaining some key period features. As part of the conversion process the old range was removed, restored and refitted, "Warm" LED Lighting was added and feature bespoke joinery was built in.

“Our Basement Project was complex in terms of our requirements. Pure took the project on and we are absolutely delighted with the results The Home Cinema Experience is absolutely superb

That little bit extra can make all the difference....

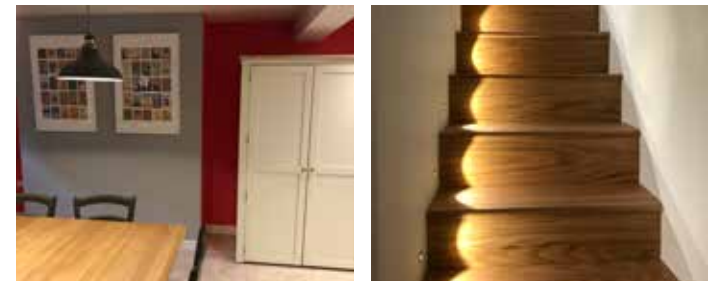

Multi-Room Basement Conversion Leeds- Providing Designated Home Cinema (with bespoke Audio-Visual Cinema Equipment), Family TV Room, Home Gym, Utility Room and Basement Storage

Our clients had a very specific brief for their Basement Conversion. High Quality Fixtures & Fittings throughout, Feature Lighting Throughout, Bespoke Joinery (built-on-site) and a Designated fully functioning home cinema – complete with Specialist Cinema Seating. Feature Plastering work was installed to provide housings for feature LED Lighting and a stage was created to house the Home Cinema Screen.

“Our Basement Project was complex in terms of our requirements. Pure took the project on and we are absolutely delighted with the results The Home Cinema Experience is absolutely superb”

“We had a damp, dark, cold wasted space... We wanted additional space for our growing family - A TV room, Extra bedroom, a Shower and a Utility Room”

That little bit extra can make all the difference....

This copy talks about the project and extras that made a difference. Pure Basement Systems have been providing both domestic and commercial clients with end-to-end basement conversion services including waterproofing and tanking for over 5 years, our combined experience stretches much further however... We're proud to be specialists in the field, have great industry accreditation and recognition but most importantly we have very happy customers. No job is the same and we approach every basement conversion with our customers needs in mind. We invite you to browse our website and find out what we can do for you.
