

Pure Basement Systems

The North's Premier Basement Conversion & Waterproofing Specialists

That little bit extra can make all the difference....

Project 1-1

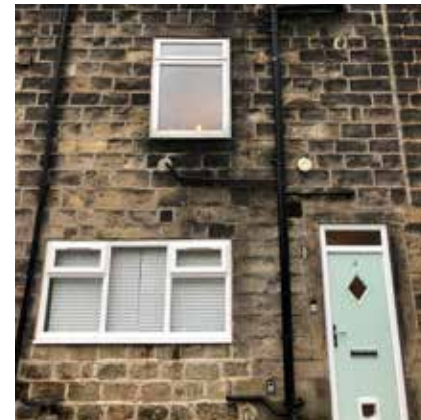

Basement Conversion Yeadon Leeds

Lighting and Colours can add real character to Basement Rooms. Successful Basement Conversions make the most of available natural daylight to brighten up newly created Living Accommodation.

This project consisted of a Basement Conversion to provide a Fantastic New Family TV Room, a Separate Utility Room and a Basement WC

“ Pure Basement Systems were great to work with – Trustworthy, Reliable and Fair. I am delighted with my Basement Conversion When I'm at home I spend most of my time in there ”

Project 1-2

Basement Conversion Horsforth

Growing families need more SPACE when children arrive and start to grow

This basement area was previously damp, dark and unloved. Pure Basement Systems created a fantastic additional en suite bedroom and TV Room for a Growing Family.....

“The team at Pure Basement Systems are Superb, Trustworthy, Reliable and the Quality of Work is great – We are really, really happy with our Basement Conversion – if you’re thinking of converting your Basement contact them

Project 1-3

Basement Conversion Garforth Leeds

Basement Conversions can provide additional space to the same area as your upper floors. External doors can provide Garden Room Access and allow the basement rooms to flow into the Outside Garden Space

This project consisted of a Basement Conversion to create a Family Kitchen with a Large Adjacent Family Dining Room, A Utility Room and much needed Dry Storage Space

“ Having a growing family means that you need more space – we decided to convert our basement properly and the additional space is exactly what we needed, lots of room for the children and us with access to and from our Garden”

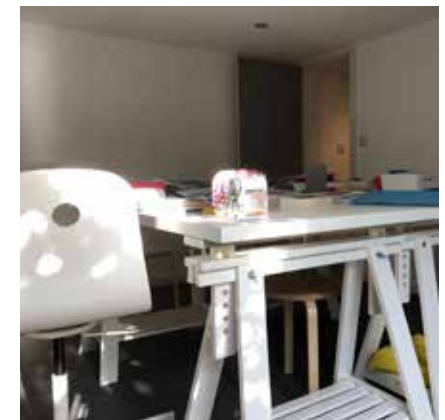

Project 1-4

Basement Conversion Potternewton Leeds

Hobbies and Studies require space. Basement Conversions can offer functional rooms, Rooms to Work, Rest or Play.

This project consisted of a Basement Conversion to create a Crafts Room and a Music Room for our client's teenagers.

"Our children need more space for their studies and hobbies – it was an obvious choice to covert the unused basement into lovely functional rooms "

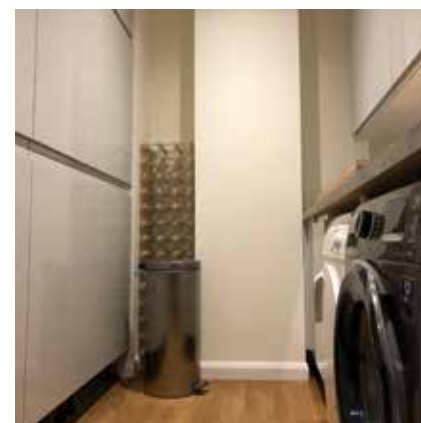

Project 1-5

Basement Conversion Horsforth Leeds

Growing Children need a Growing Home. Basement Conversions can add that much Needed Space for your Family to Spread-out in the House

This project consisted of a Basement Conversion to create a TV Room /Games Room for our client's family and a separate Utility Room / Pantry. Pure Basement Systems installed underfloor heating, floor coverings and a full range of bespoke cupboard units

"We had no problem with letting Pure Basement Systems have the key to our house to carry out their work. Everyone was Friendly, Reliable and Trustworthy. Pure provided a hassle-free service from Design to Completion – the completed job is excellent"

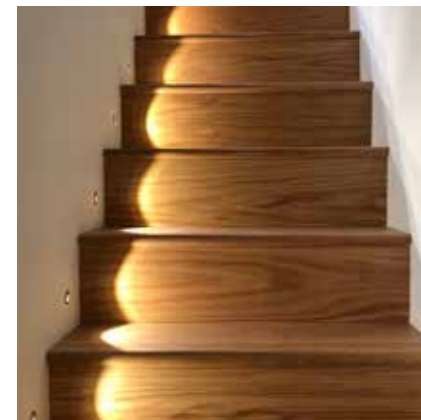

Project 1-6

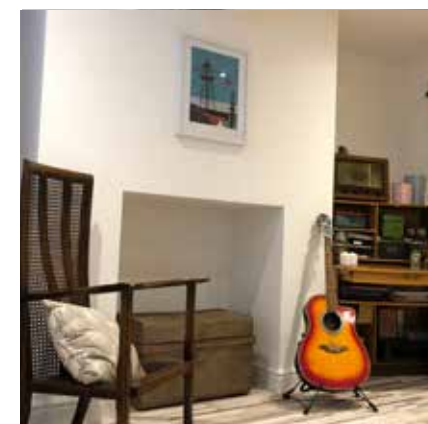

Basement in Wakefield

Damp, Dark Basements often feel like dungeons – A place where you go only when you have to

This basement area was previously damp, dark, smelly and only partly used to store goods. Pure Basement Systems created a fantastic family Kitchen / Dining Space. Opening-up the space, bright colours and great lighting really enhanced the new rooms. The transformation was unbelievable

“It was like a dungeon in our basement, we didn’t like going into it Pure Basement Systems did a fantastic job and we are “over-the-moon” with the transformation – They are Trustworthy and Helpful”

Project 1-7

Basement Conversion Pudsey Leeds

Basement Conversions can provide a viable revenue stream. Wasted Basement and Cellars can be converted into Self Contained Apartments, Holiday-Lets or Airbnb Host Locations

This project consisted of a Basement Conversion to create a Fully Self-Contained Apartment – Large Bedroom, Studio Kitchen / Lounge and a Shower Room.

“We wanted to invest our savings into property and create a longer-term return. Pure Basement Systems provided a full quotation which included everything that would be required to convert our Basement to a high standard – They stuck to the budgeted quotation and the Apartment was Let soon after completion”

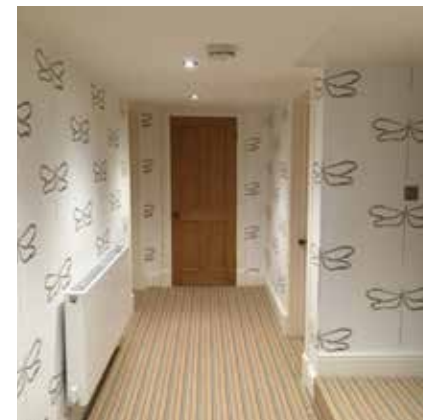

Project 1-8

Basement Conversion Oakwood Leeds

Why not create a Home Gym or a Nice Relaxing Family TV Room for you and your family?

This project consisted of a Basement Conversion to create a Fantastic Home Gym and Family TV Room. The Basement was dark and suffered from widespread dampness. After conversion it was warm, dry, light and spacious

"We have been refurbishing our house over a couple of years, the basement was last on our list and we were really pleased with Pure Basement Systems and their approach - the new space is superb"

Project 1-9

Basement Conversion Leeds

Basement Conversion adds SPACE and VALUE to your home – to get the best from your project it's important to consider Natural Daylight, Heating and Ventilation.

This project consisted of a Basement Conversion to create a Dining Room, Utility Room and additional WC all with warm water underfloor heating. Pure Basement Systems installed wood flooring and decorated the Basement to offer a complete package for the project

"I'm really pleased with my new Dining Room, Utility Room and Loo – The Space is superb – warm, dry, light & airy"

Project 1-10

Basement in Brighouse

Basement Conversion can consist of converting existing Damp Areas into Dry, Warm and Light Rooms or the Creation of Rooms in Underfloor Spaces

This project consisted of a part Basement Conversion and a part Basement Creation – The results are superb – a new Living Room, Utility Room and Family Kitchen / Dining Room

“Pure Basement Systems were really helpful and reliable – nothing was too much trouble and our finished project is superb”

Project 1-11

Basement Conversion Guiseley

Often Cellars and Basements are damp, dark wasted spaces. The potential for fantastic habitable space beneath your feet is superb. TV Rooms, Home Offices, Bathrooms and Utility Rooms all add Space and Value to your home after a Successful Basement Conversion

This basement area was previously flooded, dark and unused. Pure Basement Systems Created a Basement TV room, Home Office, Additional WC and a Utility Room – Dry, Warm & Comfortable

“From a dark, flooded basement we’ve created a whole new floor to our home. We use the basement all of the time – the Basement TV Room is fantastic for Family Movies, It’s great to have a separate home office and a Utility Room – a great use of what was redundant unusable space”

Project 1-12

Basement Conversion Wakefield

Often Cellars and Basements are damp, dark wasted spaces. The potential for fantastic habitable space beneath your feet is superb. TV Rooms, Home Offices, Bathrooms and Utility Rooms all add Space and Value to your home after a Successful Basement Conversion

This basement area was previously flooded, dark and unused. Pure Basement Systems Created a Basement TV room,- Dry, Warm & Comfortable

“From a dark, wet basement we’ve created a Fantastic TV Room – the Basement TV Room is fantastic for Family Movies- a great use of what was dark damp unused space”
