

Pure Basement Systems

The North's Premier Basement Conversion & Waterproofing Specialists

That little bit extra can make all the difference....

Project 2-1

Basement Conversion Stockport

Often Basements are wasted space, dark, damp and cold. Pure Basement Systems specialise in transforming basements throughout the North of the UK. We offer you a high-quality service and superb quality in your finished Basement Conversion. We deal with the Design and see the project through with you until the final lick of paint

This project consisted of a basement conversion to provide a Family TV Room, a Home Office, a Utility Room and a Basement WC

“Our Girls love the basement, it’s far better than we expected, and we would definitely recommend Pure Basement Systems for this type of project”

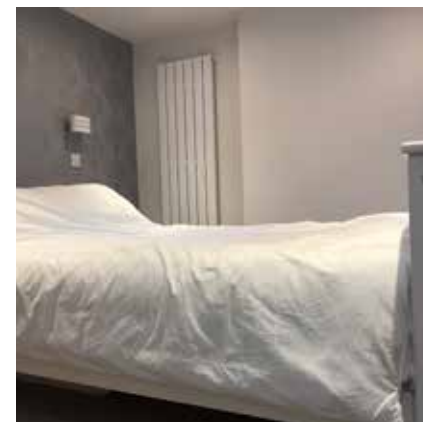

Project 2-2

Basement Conversion Stockport

As your family grows, you'll need more space. Why Move when you can Improve? Release the potential beneath your feet. Basement Conversions when executed correctly offer Space and Value for you.

This project consisted of a basement conversion to provide a Large Family TV Room, an Additional 1 Bedroom, A Shower Suite and a Utility Room. Our trades provided a full service to create a Basement Conversion which matched the floor area of the Ground Floor at the property. Smart LED lighting provided a real "WOW" Factor

"We're "over-the-moon" with our Basement, The Girls Love it - Pure did everything that they said they would from promising to provide their quote quickly to arriving on time every day. Communication from their office was great - we were kept "in-the-loop" at all times"

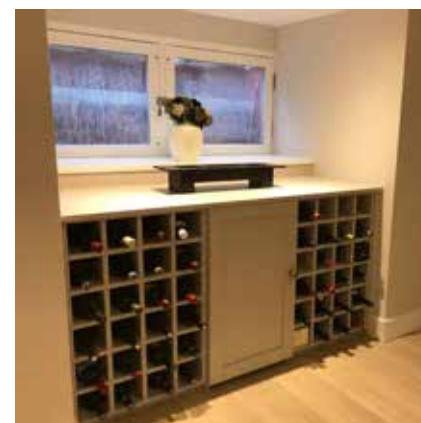

Project 2-3

Basement Conversion Stockport

Basement Projects require experience and a good technical understanding of damp, below ground construction, insulation and ventilation. It's vitally important to get the right advice when embarking on a basement journey

This project consisted of a basement conversion to provide a Large Family TV Room, and a Utility Room. Our carpenters created bespoke cabinets and our decorators added that final "wow" factor

"Pure Basement Systems were excellent, really high-quality work, everyone was friendly and helpful - we are delighted with the finished product""

Project 2-4

Basement Conversion Bramhall

Basement Rooms make superb Home Cinema Rooms – Cosy and Sound Insulated That additional floor to the property really makes a difference ...

This project consisted of a Basement Conversion to create a Home Cinema and Basement WC

“The results for our Basement Conversion have exceeded our expectations – Pure Basement Systems are definitely the company to contact for this type of work”

Project 2-5

Basement Conversion Horsforth

Growing families need more space. Where basements don't exist in properties or there is a part basement area it can be structurally adapted to create more space

This project consisted of a Basement Creation to provide a Games Room, A family Room and a Study

"Pure Basement Systems were really helpful; they arrived on time every day and helped with various aspects of the project

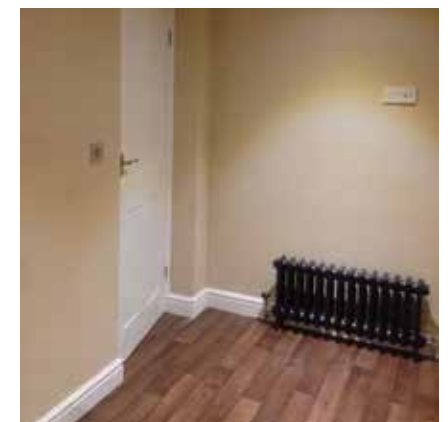

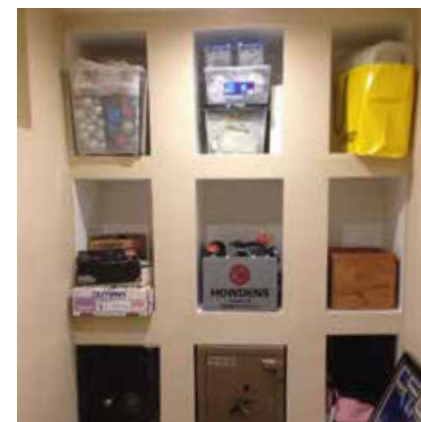

Project 2-6

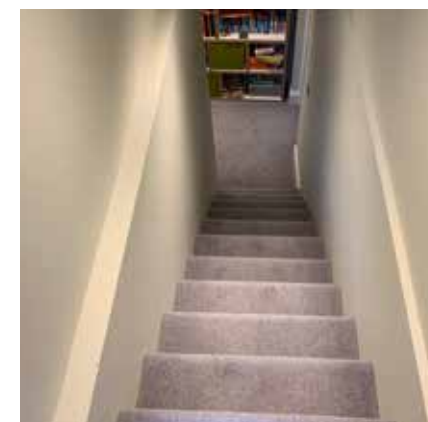

Basement Conversion Cheshire

Why not create a Home Gym, a Home Office or a Relaxation Room in your Basement? Damp, dark, cold cellars can be transformed into fantastic additional space. When basement conversions are completed correctly, they form part of the house and the home flows throughout

This project consisted of a basement conversion to provide a Home Gym, Home Office and a Relaxation Room

"Pure Basement Systems did exactly what they said they would the additional rooms are light, dry and warm"

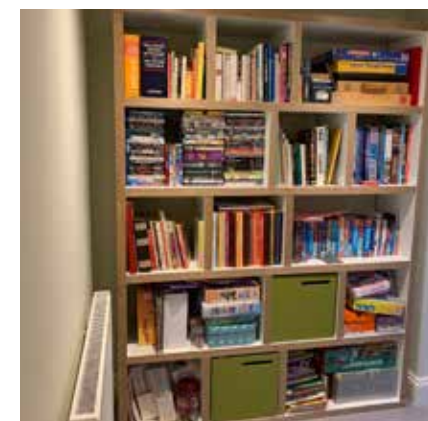

Project 2-7

Basement Conversion Rawdon

Basement Conversion requires a good degree of experience in Waterproofing, Insulation, Lighting and Heating – Specialist companies like Pure Basement Systems cover all areas of the project as part of the design process

This project consisted of a basement conversion to provide a TV Room (which doubles as a Bedroom when required) and a Shower Suite

“Pure Basement Systems were fantastic, our new rooms are just what we were looking for – we would definitely recommend them”

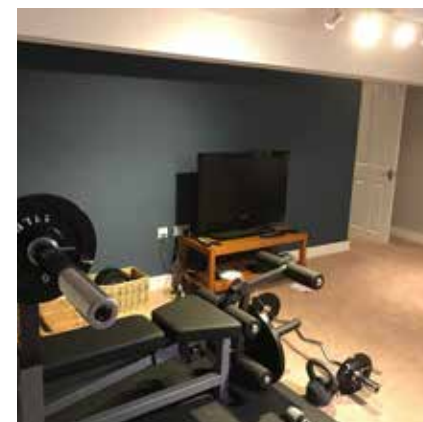

Project 2-8

Basement Conversion Knutsford

Large Period Properties often have Large Basements with Good Ceiling Heights. Large Basement Rooms can offer fantastic Family TV Rooms, Games Rooms and Home Gyms

This project consisted of a Basement Conversion to create a TV Room /Games Room and Gym with a basement WC and Kitchen area in a Large Period Property.

“Pure Basement Systems really helped at an early stage with the project in terms of design. We discussed what was required and Pure provided it. The Team were always punctual and friendly – our new Basement is better than we anticipated”

Project 2-9

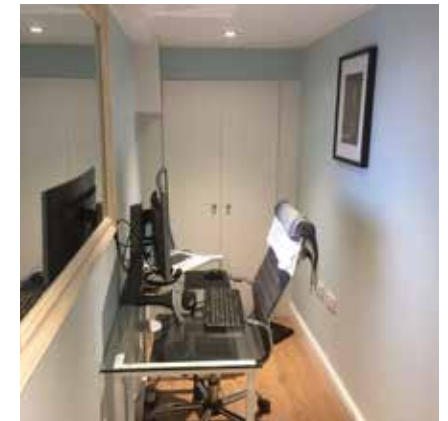

Basement Conversion Mobberley

Growing families need more space. Basement Rooms make great bedrooms, playrooms and Children's Rooms – Safe, Warm, Dry & Light

This project consisted of a Basement Conversion to create an additional Bedroom, a Playroom and a Basement Shower Suite

“Our basement is completely different to its previous condition – warm, dry and light”

Project 2-10

Basement Conversion Wilmslow

Basement Conversion requires consideration as to the best use of space to get the best out of your project. At Pure Basement Systems we offer a Design Service as part of our Service Package – We consider a broad range of design requirements for you to help you get the best from your New Basement Rooms

This project consisted of a Basement Conversion to create a Family TV Room and large Utility Room with bespoke cabinets.

“We’re really happy with our Basement, everyone was really friendly all the way through the project”

Project 2-11

Basement Conversion Bolton

Basement Conversion requires a good degree of experience in Waterproofing, Insulation, Lighting and Heating – Pure Basement Systems carry out robust Basement Conversions designed to last for many years to come

This project consisted of a basement conversion to provide a Family Games Room, A children's Play Area and a Basement WC

“Our Basement had been done before, unfortunately it hadn't been done correctly. Pure Basement Systems had to remove everything and start again – Pure's System is visibly much better than our previous system”

Project 2-12

Basement Conversion Leeds

Basement Conversion to create habitable space requires Building Control Approval. All Pure Basement Systems projects are completed to a very high standard and to Building Control Requirements

This project consisted of a basement conversion to provide a Family Kitchen, a Utility Room and a Large Family Dining Room

"I checked references for Pure Basement Systems before I received their quote, I felt comfortable with them as a business and I'm happy that I chose them to convert my basement. I then asked them to refurbish the complete house and build a loft conversion for me "
